516 Cottage Grove Rd.
Friday, April 21,
5:30-7:30PM

Join a group of parents from **Nuestro Mundo** for a chance to engage in dynamic and welcoming small group discussions in both English and Spanish. Choose from a list of topics or suggest your own during this “open space facilitation” event. Dinner provided by Adamah, childcare, and activities provided.

Event Timeline:

5:30PM: Dinner for parents and kids.

6:15PM: Childcare providers will take the kids to play, read, or do arts and crafts activities while parents talk.

6:15-7:15PM: Engage in small group conversations on topics chosen by the group. You'll leave with new ideas, make new connections and hopefully new friends, playdates, and networking opportunities. Plus, learn more about Nuestro Mundo and resources available in the Lake Edge Neighborhood.
